

MORE SPEED SHOWING ON DIAMOND IN BOTH OF THE MAJOR LEAGUES

(By Associated Press.)
NEW YORK, July 27.—More speed is being shown on the baselines and in the field this season than was the case a year ago, if the various records of the two major leagues are read aright by those who follow the intricacies of the national sport. Considered as a whole the averages of the players of the American and National leagues show greater hitting ability, better fielding form and in fact an all round improvement upon the play of twelve months ago.

A comparison of the base stealing records bear out this statement, for it is seen that with few exceptions the leading base stealers of this season are well ahead of their 1915 performances. While Ty Cobb has yet to reach his mark of a year ago, the majority of the leaders are well beyond the total number of bases stolen during the first half of the previous season. The ten leading players in both leagues with their record for both 1916 and 1915 are appended:

National League		1916	1915

HALF A MILLION MEN ARE AT SALONKI GERMAN NAVAL BASE ON BELGIAN COAST

BARE-FOOTED BULGARIANS AND GERMANS GATHERING FOR AN ATTACK

(By Associated Press.)
BERNE, Switzerland, July 27.—According to reports here, the Bulgarians and Germans have about a half million men ready for an attack upon Salonki. The greatest difficulty the Bulgarians have had to contend with is the lack of shoes. A Swiss doctor just returned from Sofia says that fully half the Bulgarian forces are without shoes, which civilians also find with difficulty at prices running from eight dollars a pair upward.

Bulgaria, without shoe factories and tanneries, is also short of hides. The entire stock on hand has been distributed among the troops. The soldiers are cutting them up themselves and make a crude kind of nasal such as served as footwear for 300,000 Bulgarian, Serbian and Turkish soldiers during the Balkan wars.

BRUGES PORT STRENGTHENED BY THE ADDITION OF NEW TYPES OF VESSELS

(By Associated Press.)
AMSTERDAM, Netherlands, July 27.—The German naval squadron at the Belgian port of Bruges has been considerably strengthened in recent weeks, according to the Amsterdam Telegraaf, and now comprises at least 22 torpedo boats and torpedo destroyers, including many of a new type with three funnels. Torpedo boats have frequently passed through the canals of Belgium, while dismounted boats are said to have been transported from Germany by that route.

GOTCH CRIPPLED MUST QUIT GAME

FAMOUS WRESTLER MAY HAVE TO RETIRE FROM THE MAT GAME FOREVER

(By Associated Press.)
NEW YORK, July 27.—The injury to Frank Gotch, wrestling champion, will still for some time all talk regarding a match between the title holder and Joe Stetson. Until Gotch broke his leg it appeared probable that the two would meet this autumn or winter in a match to a finish for the championship. The champion is reported to have been gradually rounding into the form he displayed on the mat a few years ago and to have expressed to his friends the opinion that he could regain the strength and speed that made him invincible in the past. It is quite

AGAINST PRINTING LISTS OF FLOWERS AT FUNERALS

A Colorado exchange calls attention to abuses in printing the names of donors of flowers at funerals and remarks, anyway, the custom is fast falling into desuetude. The newspapers are against the custom, since it is one of the worst means of provoking bad feeling through omission of names by accident which cannot be explained to the injured person. The state editorial associations are agitating this matter to the end that the members refrain from printing the names of those who send floral pieces. At the funeral of John F. Campion, a man worth \$15,000,000, there was not a solitary bud on the bier.

If you want the telegraph and local news—try the Bonanza

within the range of probability that when Gotch recovers from his broken leg he will decide to forego any further attempt to re-enter the wrestling arena.
